Heroin trafficking network investigated by NCB Chandigarh

CASE STUDY - 02

Name of the Drug : Heroin

Qty. Seized : 20.326 Kg Heroin

NCB Zonal Unit : Chandigarh Zonal Unit

Total Arrest : 20 Persons

Initial seizure and arrests

- Based on secret information, the NCB-Chandigarh team led by the Zonal Director apprehended one person with 20.326 kg of Heroin on 15.11.2022. Further follow-up seizures resulted in the arrest of 20 persons.

International syndicate investigation

- Two kingpins of international drug syndicates were arrested at Jaipur International Airport while attempting to flee to Sharjah, UAE on 24.11.2022. Investigation revealed that the group was smuggling Heroin through Mundra Port, Gujarat, ICP Attari, Punjab and Jammu & Kashmir.

Trafficking and prosecution findings

- The kingpin admitted to importing more than 2000 kg of Heroin through the customs ports and from J&K. Cover consignments at Mundra Port and ICP Attari used high-value cargo to avoid suspicion. The report states that the imported material was used to manufacture Heroin at Ludhiana and Muzaffarnagar, Uttar Pradesh. A Pakistani national was identified as the main handler/supplier abroad. Complaints were filed against the accused persons following investigation.
